

Cultural Activity Cell

Pt. PSRS B.Ed. Training College, Bhiwani , was constituted with the vision to develop wholesome personality of learners. Its aims to provide a platform to students for developing artistic and creative expression through a variety of outlets: formal theatrical performances, dance, music, festival celebrations, cultural exchange programmes and visit to places of national importance.

Objectives:

- Enriching the educational offer of the university with cultural programmes.
- Cultivating sensitivity towards socially relevant issues and more expressiveness for personality development and life quality standards.
- Strengthening cultural values and preserving heritage.
- Providing a platform to students, teachers and interested members from the society to exhibit the creative art work
- Bringing together professionals and students of different cultures to organize and develop activities in the artistic fields of interest.

Functions of the Cell:

- To educate and inculcate awareness among students of various forms of Indian and western music for all round knowledge and sophistication in personality development.
- To help students appreciate and discuss various music forms and instruments.
- Students will broaden their musical tastes while critically thinking about the meanings behind songs and their lyrics and the situations when these compositions were made.
- Encourage students to learn vocal and instrumental music
- To organize vocal and instrumental music shows and competitions at various levels
